Serviam Awards

Our school motto is "Serviam" which means 'I will serve.' This year we are fostering this spirit of servant leadership among our students. Each month we are recognizing students who exemplify this spirit of service.

Jake Vigil: Recognized for his willingness to help wherever needed- especially during the Bake Sale for Hurricane Harvey.

John Paul Drapeau: Recognized for the beautiful way he works with younger children at school and within his family.

Gianna Capone: Recognized for her spirit of generosity in the classroom. She is always willing to help her teacher or any other student in need.

We thank God for the beautiful work He is doing in these young souls!

Welcome to SPPS!

You'll see two new faces this week at Sts. Peter and Paul!

We welcome Mr. Tim Draftz who joins us as the Business Manager for the parish and school. Tim has extensive experience in finances and will be a great addition to Sts. Peter and Paul.

We also welcome Mr. Chris Boyle who will be teaching PE to grades K-3. Chris, originally from Oregon, is working on his Masters in Educational Leadership at Regis University. He has taught PE and junior high for several years. He looks forward to working with our little ones.
