As we wind up the school year, we need some extra help. Would you consider assisting with the following? Many hands make light work!

Covering Books: Great project to complete at home! Through the generosity of two organizations, our library and classrooms received quite a number of new books this spring. We need help covering these books with contact paper. Please contact Sister Juanita asap if you are interested in helping.

Field Day: Field Day for students in grades 1-7 will be **Thursday, May 24th** at Randall Park. We need a number of volunteers to help with the activities. We will also be providing lunch for all the students from 12:00-1:00! We need some expert hotdog BBQ-ers and watermelon cutters to help Laurie Patridge. Contact the front office asap if you can help.

Library Moving: We are in the final stages of preparation to move our library downstairs this summer. We need help carrying boxes of books downstairs on **Tuesday, May 29th**. Mid-June we will also need help dismantling the bookshelves and installing them in the new library. Let us know if you would like to help with these projects.

Criterion and Brewfest- Sunday, June 10: We will have a booth at this local event and will be looking for volunteers to help for 2-hour slots. Please save the date! More information coming soon.

Promoting Summer Reading

Today, the Lakewood Elks Club visited our school. They awarded our school with a \$2000 grant for books! The students were able to choose two or three books to enjoy over the summer. Thank you, Elks Club!
