As he gets ready for the race, he keeps losing his shoes but the good news is that the students are helping him keep track of them. Scorch will take pictures each Tuesday who are registered for the race that week.

Talent Show Coordinator

The Talent Show is less than two months away! Students are eager to try out for the talent show and begin practices. We are unable to host a talent show without a parent to organize the event. **Please call the office this week** if you would like to help with this fun program!

Games Manager

PTSO is hoping to host a number of BINGO nights this year. In order to do this, we need a Game's Manager to take an online class and oversee our BINGO events. Call the PARISH office for more information.

Attention Closet Organizers!

We are preparing to reorganize our science closet and we know some of you love cleaning! Contact Sister Faustina if you would like to help with this project.
