Stronger Together 2018 SPPS Appeal

The Stronger Together Appeal begins this week. Thank you for those of you who have already sent in envelopes and addresses for the appeal. If you haven't already, please do so by Tuesday of this week at the latest.

Our goal is 100% participation from our families!

1. We are asking each student (K-8) to bring five business envelopes addressed to family, friends, co-workers, etc. who might be interested supporting our mission at SPPS.
2. Students will write five letters in class. The younger students will use a form letter and the older students will draft their own letters as a class assignment. These letters will explain the gift of our school, the purpose of this appeal and an invitation to partner in our mission.
3. With the letters we will include a card with information about our school and a donation envelope.
4. Parents will receive one service hour for each address their child brings. (You are welcome to submit more than 5 addresses for additional service hours!)

More information can be found in last week's newsletter or at sppscatholic.com/donate

Welcome Father Victor!

Father Victor Raj, HGN joined our parish in mid-September. He is a member of the Heralds of the Good News, a Missionary Society of Apostolic Life started in India in 1984. The specific aim of the Society is the promotion of vocations to priesthood, the training of seminarians and the supply of zealous and hardworking missionaries to the dioceses in India and abroad which experience a shortage of priests due to the lack of local vocations. The Society has about 302 priests and around 432 seminarians in various levels of studies.

Father Victor has been ordained for four years and is eager to serve our parish as our Parochial Vicar. We welcome you to Sts. Peter and Paul!

Monthly School Mass

Join us for the 11:00 am Mass at our parish on the Second Sundays of each month. Students serve as lectors and gift bearers at these Masses. Students in any grade who come in complete uniform receive an out-of-uniform pass to be used on a Wednesday.

A delicious Pancake Bruch hosted by the Catholic Daughters follows Mass.

This is a great opportunity unite in prayer as a school family and build community.

November 11th- hosted by 6th graders
December 15th- hosted by 5th graders

Want to enjoy the pictures and videos from school events?

Did you know that you don't have to have a Facebook account to view our page?

Simply click Facebook icon on our school website!

Or use this link:

We are posting pictures several times a week. Check in to see the great things happening at SPPS!

Grocery Cards

Each family received a reloadable grocery card at registration.

Are you using yours?

This is one of the *easiest* ways to support SPPS!

Every time you reload the card King Soopers or Safeway will donate 5% of the reloaded amount to SPPS (at no cost to you). You can even reload directly at the register before you purchase your items. If you haven't received yours contact the office.

If each family spent \$100 on groceries each week, we would earn \$4000 a month! Currently we are only earning about \$600 a month.

Let's make this program work for SPPS!

Go Dragons!

We're gearing up for a great basketball season at SPPS! We have almost 60 students registered for our six teams. A huge thank you to our coaches who will be dedicating so much time to our players:

Mike Vasquez, Lou Romero, Joe Schreiner, Daniel Saavedra, Jess Peonio and Kelsey Robb!

Practices began this last week. Please note: Siblings may not attend practices unless supervised by a parent. Siblings who stay after school must register for After Care. They can not be unsupervised at school.

This year we will be hosting a significant number of Widget games on Fridays and Saturdays. This is a great opportunity to make money for our athletics program with concessions. We will begin looking for volunteers in the coming weeks.

Open House - Weds. Nov 28

If you know of anyone who is interested in attending our school next year (Preschool-8th grade), we have two upcoming Open Houses (Nov. 28 and Jan. 27).

Our November Open House will be a great opportunity to see our community in ACTION! The evening will begin at 6:00 with a welcome and introduction to our school. Families will then be invited to walk through the school and enjoy our STEM Showcase Night. **Please be sure to extend the invitation** to your family and friends!

Want to be a better husband, father and man?

Come to a This Man is You meeting. Conversation, prayer, community. We meet every Monday at 6:30 am in Big Mac. For more information contact Andy Drapeau at 720-320-5855
