

Sts. Peter and Paul Catholic STEM School

Centered in Jesus Christ + Courageous in Faith + Scholars for Truth

Hello and blessings,

I am reaching out on behalf of Saints Peter and Paul Catholic STEM School (SPPS) in Wheat Ridge, CO. SPPS's mission is reflected in our four Core Values of forming: 1) Missionary Disciples; 2) Life-Long Learners; 3) Innovative Critical Thinkers; 4) Courageous Leaders.

On **Saturday, February 21, 2026**, SPPS will host our annual "**Night to Remember Gala**".

The gala is our school's largest fundraising event of the year. This year's theme, **Together We Grow**, reflects both our commitment to growing the heart, mind, and faith of every student and the role of community in this process. As young trees grow strong when well cultivated, our students flourish through the support of parents, teachers, caring individuals, and businesses, like you!

Our annual Gala impacts every level of school life. The funds raised directly support our students and teachers, facilitating vital educational tools, resources, and programs. We want every child to learn, grow, and flourish in a faith filled, academically rigorous family environment. We rely on our alumni, parishioners, families, neighborhood businesses, and friends to bolster our efforts.

We invite you to partner with us by sponsoring this year's Annual Gala. Sponsorships can be corporate or individual. Sponsorship levels range from \$400 to \$12,500. Unique benefits are offered at specified levels such as being featured in our gala program, pre-gala social media posts, night of slide show, opportunities for engagement and logo featured on the school gymnasium. For those wishing to attend the gala in person, designated sponsorship levels include reserved seating and additional perks at the event. **Every sponsorship level makes a meaningful impact.**

Whether you are a new or returning sponsor, we invite to review the affixed donation card which details the giving levels and associated benefits. If sponsorship is not possible for you this year, we warmly invite you to consider contributing through a general donation, participation in our silent or live auction, purchasing tickets, or offering a gift of prayer. Every gift grows our capacity.

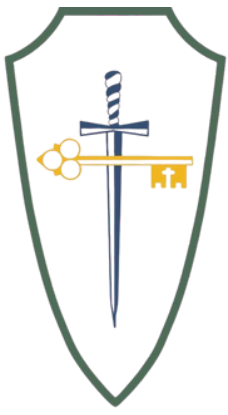

It is our goal to continue strengthening faith, STEM education, and the Core Values on which we stand. On behalf of our Gala Committee and the entire SPPS Community, thank you for your consideration. Feel free to contact us via email, gala@sppscatholic.com

With assurance of prayers for you and your loved ones, I remain Sincerely,

Sister Ines

Together We Grow

*A Night to
Remember Gala*

Welcome to our Gala Sponsorship Opportunity

Thank you for taking the time to learn more about Sts. Peter & Paul Catholic STEM School and our upcoming Gala.

Each year, this event brings together families, parishioners, alumni, and friends who share in the mission of providing students with a faith-filled, academically excellent education.

This year's theme — “Together We Grow” — celebrates the power of community. Like a tree with deep roots and strong branches, our school continues to grow because of the generosity and commitment of those who believe in our mission.

Inside this packet, you'll find:

- Information about the gala and its purpose
- Sponsorship levels and benefits
- Opportunities for recognition and involvement
- Ways your support directly impacts our students, teachers, and programs

Your partnership plays an essential role in helping us continue to nurture strong roots, reach new heights, and build a lasting legacy for future generations. Thank you for your time, consideration, and belief in our mission. We are excited to grow together.

Rooted in Legacy. Rising with Purpose.

Crown Sponsorship

\$12,500

Crown Sponsors help our mission flourish, creating a vibrant and lasting legacy that shelters and inspires our entire community

The crown stretches wide and full, a living canopy of beauty and abundance.

Leaf Sponsorship

\$7,500

Leaf Sponsors help our mission flourish by nurturing students and programs that keep our community vibrant.

The leaves are the outward beauty that radiate the inner growth and sustainability through all seasons.

Bough Sponsorship

\$5,000

Bough Sponsors extend the mission of SPPS, helping it reach and bless more lives.

The boughs reach outward, sharing life, strength, and new growth.

Heartwood Sponsorship

\$3,000

Heartwood Sponsors enable us to sustain growth, creating a strong core and lasting legacy which inspires our entire community.

The heartwood is the innermost part of the tree, providing structural support and longevity.

Root Sponsorship

\$1,000

Root Sponsors provide our legacy the strength to persevere. Reflecting on our mission, we know our students, community and supporters are lifelong disciples.

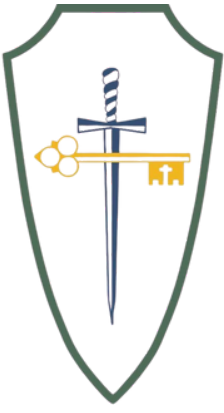

The roots of a tree remind us of the legacy and life it has lived and grown.

Seed Sponsorship

\$400

Seed Sponsors lay the foundation for future growth through their meaningful support.

Inside every seed, is the potential for a beautiful harvest.

Together We Grow

*A Night to
Remember Gala*

About the Gala

Our annual gala is the largest fundraising event of the year for Sts. Peter & Paul. Bringing together parents, parishioners, alumni, and community partners for an elegant and joy-filled evening, this event showcases the beauty of Catholic education through dinner, silent and live auctions, and powerful storytelling that celebrates the mission of Sts. Peter and Paul Catholic STEM School.

Why It Matters

Proceeds from the gala directly support:

- Tuition assistance and family support programs
- Classroom and curriculum enhancements
- Faith formation and enrichment for teachers and families
- Teacher professional learning and development
- STEM education and engagement for teachers, students, and families
- The school expansion project, designed to serve even more students and families in the years ahead.
- Campus-wide development initiatives

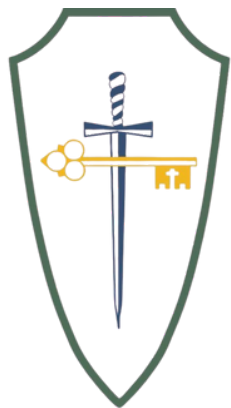

Ways to Partner

- Become a sponsor at one of our “Together We Grow” levels.
- Donate an auction item or experience.
- Purchase tickets and join us for *a night to remember*.

Your Impact

Your generosity strengthens our school community and helps our students grow into the young men and women God created them to be.

Rooted in Legacy. Rising with Purpose.

School & Mission Overview

Our Mission

SPPS offers an integrated faith formation, a rigorous academic program, and preparation for a lifetime of spiritual and vocational success.

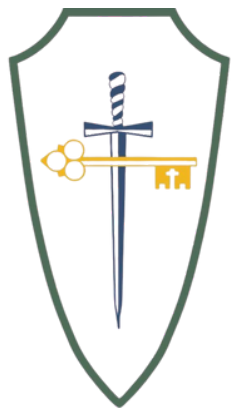

We are a Catholic liberal-arts school with an emphasis on STEM education, committed to integrating faith and reason in every lesson.

Our school community is joyful and rooted in Carmelite spirituality — with a focus on prayer, friendship with Jesus Christ, and discipleship.

Core Values & Identity

- **Faith-Filled Community:** Students learn in an environment where Catholic identity, worship, and service are lived daily.
- **Academic Excellence & STEM Focus:** Through challenging academics and STEM-based curriculum, students are prepared for college, careers, and lifetime learning.
- **Whole-Person Formation:** We educate the spiritual, intellectual, social, moral, physical, and emotional dimensions of each student.
- **Mission-Driven Growth:** With our expansion project underway, every student, family, and donor contributes to a legacy of growth in faith and education.

Rooted in Legacy. Rising with Purpose.

SPPS at a Glance

Signature Programs & Highlights

- Catholic STEM Curriculum: In 2018, SPPS officially became a STEM-designated school — equipping students to bring the Gospel of Jesus Christ into the fields of Science, Technology, Engineering & Math.
- Faith Formation at the Core: From early childhood through middle school, students engage in prayer, liturgy, service, and discipleship alongside rigorous academics.
- Robust Extracurriculars & Athletics: Students participate in music, art, robotics, student council, athletics (CSAL for grades 5-8), and more — all grounded in virtue and community.
- Expansion & Vision for the Future: As enrollment continues to grow and the demand for Catholic STEM education increases, our campus expansion reflects both physical growth and mission advancement.

Why Your Support Matters

Your sponsorship fuels our school's growth and flourishing this year and beyond.

- Supports scholarships and tuition assistance
- Enhances spaces for academic learning, physical development, and faith formation
- Inspires love of truth, beauty, and goodness, and life-long learning
- Strengthens programs preparing students for college, careers, and discipleship
- Builds a lasting legacy of Catholic STEM education in our community

Join Us in Our Mission

Be part of the story that helps our students flourish as thinkers, leaders, and disciples of Christ.

Explore our sponsorship levels ("Together We Grow" theme) and discover how your partnership will help nurture strong roots, reach new heights, and produce abundant fruit.

Impact of Sts. Peter and Paul

Forming Hearts & Minds

“Sts. Peter and Paul Catholic STEM School is not only a wonderful place for our children to learn about reading, writing, arithmetic, science, history and art but also a wonderful place to learn about living a virtue-based life in Jesus Christ and in our Catholic faith... The Carmelite Sisters are holy role models for our daughters... The Sisters are also holy role models for our sons as the Sisters are positive examples as to how to treat women/girls with love and respect. SPPS helps us as parents to form our children into young people who are loving, faithful, charitable, educated and responsible citizens.”

— **The Viray Family, Current SPPS Family**

Why this matters: Through your support, SPPS offers not just academic excellence, but character formation rooted in faith—helping students become more than scholars: young disciples.

Education + Community + Care

“Our children not only receive a rigorous academic education; they receive faith, love and kindness from the teachers and staff. We have witnessed the sounds of joy and laughter coming from the children that we wish we could put in a bottle and keep forever!... This school is a place where God dwells. He is palpable here.”

— **Jarod & Amy Mintz, Current SPPS Family**

Why this matters: The culture of love and joy at SPPS reflects a community deeply committed to faith-driven learning. Your sponsorship helps maintain that environment where students thrive.

Growth & Results

Since 2017, enrollment at SPPS has increased 34 percent and academic growth in reading and math continues to outpace peers in neighboring schools. In 2021, SPPS completed over \$1.5 million in campus upgrades, including new STEM labs and outdoor learning spaces.

Why this matters: With your support, our expansion and upgrades are not just cosmetic—they're transforming learning and forming future leaders prepared for innovation and faith-filled service.

Gala Results Snapshot – Investing in Our Mission

Each year, the proceeds of the Sts. Peter & Paul Gala contributes to strengthening our mission and supporting the students and families we serve. Through the generosity of sponsors, donors, and community partners, we've accomplished incredible things together. Here is a glimpse of last year's initiatives which our gala made possible.

2025 Gala Highlights – “Upon This Rock”

Key Highlights:

- \$250,000+ raised to support our mission
- Record-breaking paddle raise toward our school expansion project
- Strong sponsor participation and increased community partnerships
- Powerful testimonials that inspired our guests to give generously

Impact:

- Funded tuition assistance for families in need
- Invested in classroom technology and STEM programming
- Supported teacher development and faith formation programs
- Continued building momentum for the school expansion project

This event is more than a fundraiser—it's a celebration of our shared mission. Together, we're blessing students and families now and for years to come.
