

January 16, 2026

Dear Friends,

Saints Peter and Paul Catholic STEM School has been animating young minds and shaping faith-filled leaders since 1955. From the moment the Sinsinawa Dominican Sisters opened our doors, our aim has been unwavering: shape hearts, ignite minds, and form every child in Christ. The Carmelite Sisters of the Most Sacred Heart of Los Angeles later strengthened and renewed that mission through joyful leadership.

In 2018, and we expanded our curriculum, boldly stepping forward and becoming the first Catholic STEM school in the Archdiocese of Denver. Now, we prepare students to bring the Gospel into the most innovative fields of our time.

We have entered a pivotal period that will impact the next generation. In December 2025, we broke ground on a school expansion that will grow our campus, increase our influence, and create new opportunities beyond what our founders ever imagined. This is growth. This is momentum. It is our future taking shape before our eyes. And in God's providence, you are an integral part of this movement.

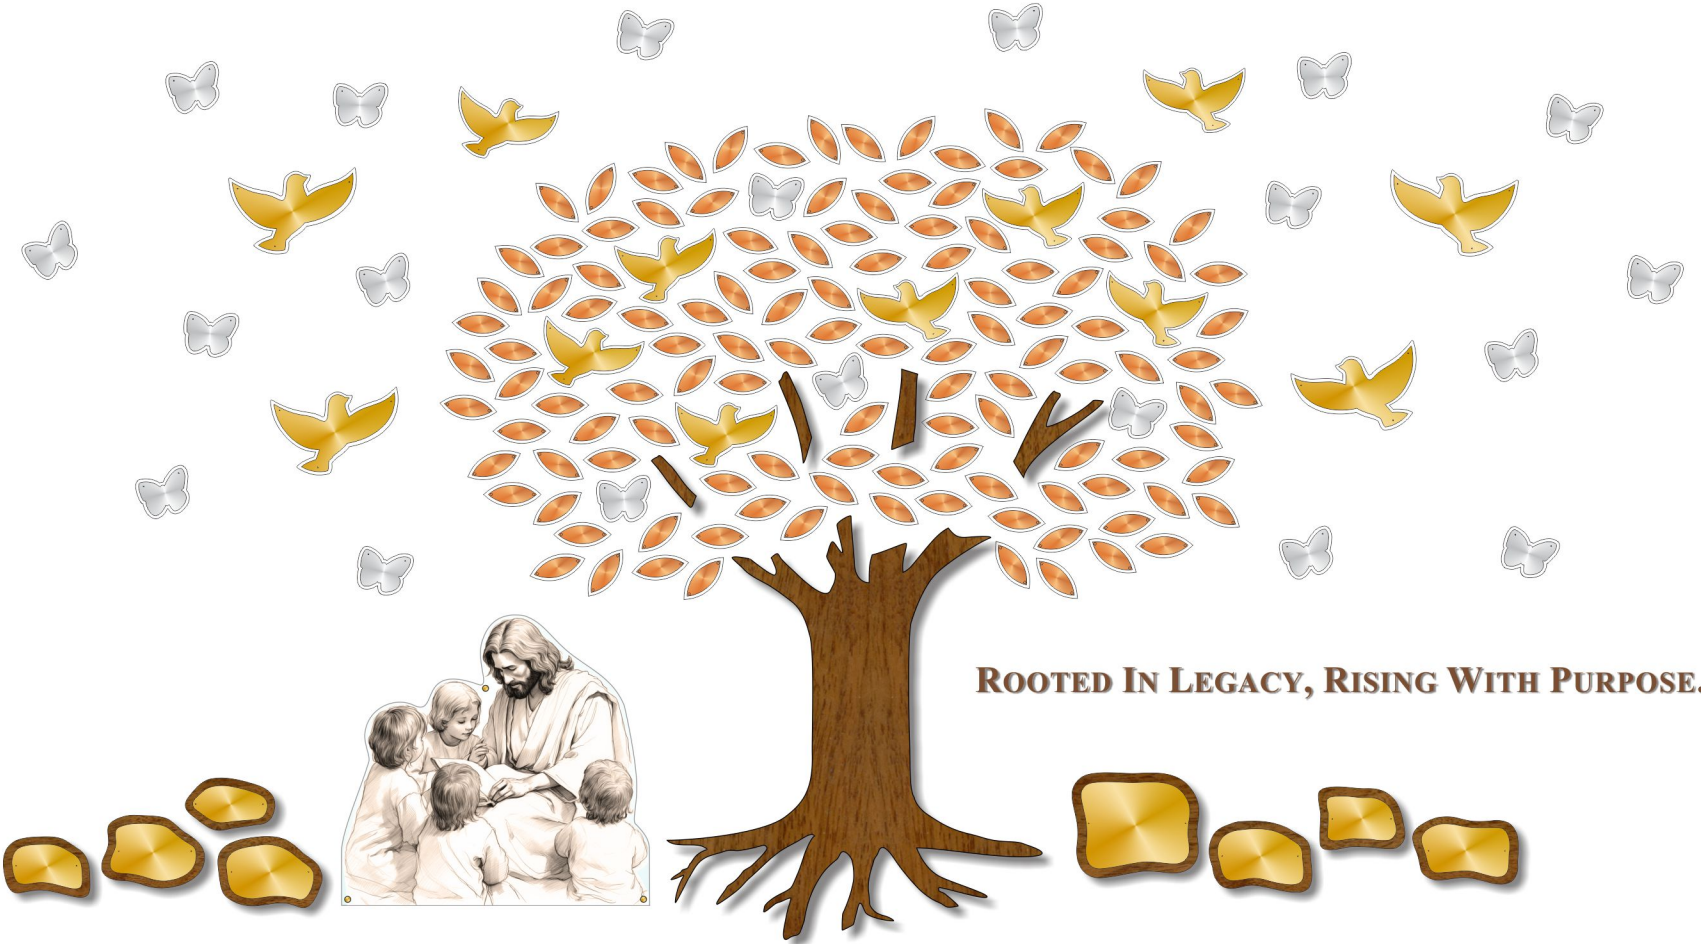

Our 2026 Gala theme expresses the magnitude of this moment. **"Together We Grow"** captures the heartbeat of our school — a community that is firmly rooted, flourishing as we rise, continually building, and together, believing as one. That spirit will shine at our "Night to Remember Gala" on February 21, 2026. We will celebrate where we have been, and where we are confidently going.

To honor this milestone, we have partnered with W&E Baum. Renowned for their craftsmanship, they are a nationally respected leader in donor recognition. They are creating a striking 9' x 15' feature wall in the main hall of our new building. It is a stunning image of our theme and vision.

Today, we are thrilled to unveil a once-in-a-generation opportunity for every member of our community — Current Families, Alumni, Parishioners, Donors, and Friends — to leave a permanent mark on our school's future through our custom-designed donation tree which we have formally named, **"Rooted in Legacy, Rising with Purpose"**. Your family's name will live at the heart of our new space, a lasting testament of your belief in our mission and the commitment to the generations who will follow.

Whether or not you join us at the Gala, we invite you to walk with us in this momentous time of growth. **Explore the rendering and donation options on the following pages.** Your generosity directly fuels the classrooms, chapel, and grounds that will shape tomorrow's leaders. You are building a home where faith, innovation, and community thrive. You are not just supporting a project — you are unleashing a legacy.

DONOR TREE
